SCHEDULING GUIDELINES FOR AVID FRESHMEN
According to Four-year University Requirements

The AVID Program encourages all students to be challenged according to their abilities in different subject areas. If you are ready for more accelerated instruction, sign up for a Honors, Pre-International Baccalaureate, or Advanced Placement course.

All AVID students must take seven courses ONLY freshman year.

Required schedule for AVID freshmen includes these seven courses:

1. AVID Tutorial
2. English I (College prep or pre-IB)
3. Algebra I, Algebra IA, Algebra IB, or Geometry
4. Biology
5. Foreign Language (Spanish recommended)
6. PE, Athletic Sport, or Music
7. Health, Reading if required, or CCPC

If you have difficulty signing up for these classes, do not give up. Return this form completed. You will then receive information about the interview in the mail. If you attend the interview and you are accepted, your schedule will be changed to the one above.

Benefits

Attend a four-year university!
Become an educated, responsible leader.
Improve grade point average significantly.
