Saddleback Early Bird Applications for the Fall 2011 semester will be available online from March 1 to March 30, 2011. Testing will be held in March, April, and May.

1. Complete the Saddleback College online application for Early Birds. Make sure you select the High School Early Birds Fall 2011 as the term when applying. **NOTE:** If you have problems with the online application or have not received your student ID number within 24 hours of submitting your application, please call the Admissions and Records Office at 949-582-4555. You may also attend an optional Early Bird application workshop if you need further assistance.

2. Once you have received your Saddleback College student ID number via e-mail you can continue on to the 2011 Early Bird online date selection process. Go to this website address www.saddleback.edu/earlybird/ and click on **Step 2 “selecting a testing time and date”**. You will be asked to sign in to your MySite account first, then select a testing date from the Early Bird test menu.

3. Once you have successfully selected a test date it will be listed on your MySite Appointments page. **NOTE:** If you forget your appointment date or you need to change your appointment, please repeat the instructions in step 2.

4. Complete the Saddleback College Online Orientation. Sign in to MySite and from the menu on the left, click on **My Information, Matriculation, and Online Orientation**. Click on either version of the Orientation and continue through all 6 sections making sure that you answer all 10 questions. http://mysite.saddleback.edu

5. Attend your assigned date for Assessment testing. Arrive early and you must bring a photo ID, pencil, and know your Saddleback College student ID number. If you miss your assigned testing date, please repeat Step 2 listed above. Early Bird tests are limited so please select a date you are able to attend.

6. After you have completed testing and verified that you have course placement in your MySite, complete **ONE** of the three student advisement methods. More information regarding Student Advisement will be announced in the testing session or online at: www.saddleback.edu/matriculation/advisement.html

7. **Optional Step:** Attend a follow-up workshop with a counselor in July.

8. Register for classes! Check your MySite in July for your early registration date under **My Information and Appointments**: http://mysite.saddleback.edu

Early Bird Program 2011

The Early Bird program is designed for high school seniors and provides the following benefits:

- Early application for the Fall 2011 semester!
- Early Bird application workshops to help new students apply!
- Early Matriculation services completed before summer!
- Early enrollment period for the Fall 2011 semester!

Students who complete the "Early Bird" program will register for the Fall 2011 semester before other new students.

For detailed information and a complete Early Bird packet, visit our website at www.saddleback.edu/matriculation/ and click on the "Early Bird Services" button. Available February 2011

---

Campus Parking

Parking permits will be required for all Early Bird testing sessions.

$2 daily parking passes are available at the yellow parking pass dispensers. Dispenser locations are marked with a STAR on the campus map.

Parking lots 5 and 5A are centrally located to the Student Services Building.

Arrive early to your testing session to make sure you have time to park and locate the testing room!

---
